Office of the Chief Academic Officer

March 2, 2011

Dear Mr. Jones,

Congratulations! The approval of your organization, **Calvin Coolidge Alumni Association, Inc. (CAA)**, as an afterschool service provider to the students of the District of Columbia Public Schools (DCPS) has been renewed for the next three years beginning in fall 2011. This allows you, the provider, access to DCPS facilities for programming, recruiting, and working together to increase student achievement across the District. Your organization will not have to reapply until the spring of SY 2014.

Please note that DCPS reserves the right to require providers to submit annual year-end reports and program attendance data, the right to conduct site checks, and to ask the provider to support and improve afterschool opportunities for DCPS students.

CAA will receive placement notification in the following weeks as per the re-vetting timeline. The placement will take into account the schools' needs, your organization's needs and the ties you have forged with schools and communities in the past years. In addition, we will forward to you the required agreements that you should sign and return to the Office of Out-of-School Time, including a new Memorandum of Agreement. You will receive an email with detailed explanations about the agreements and the deadline to turn them in. **Please note that providers will not be allowed to start programs in school without submitting all required documents.**

We are very excited to continue our collaboration with your organization. If you have any questions or concerns, please feel free to contact our office at 202-442-5002.

Sincerely,

Daniela Grigioni
